

**Rubric for Interpersonal Task** (from Blaz, D. (2001). A collection of performance tasks and rubrics. NY: Eye on Education. p.36)

SUE Method

	S	U	E	Grade/points
Student 1	+	+	✓	<b>B</b>
Student 2	+	✓	✓	<b>B-/C+</b>
Student 3	✓	✓	✓	<b>C</b>
Student 4	+	+	+	<b>A</b>
Student 5	✓	–	0	<b>D</b>

- S = Success: Did the student successfully accomplish what was assigned?
  - U = Understanding: How easy was the response to understand?
  - E = Effort: Was the speaker making an effort to communicate rather than just answer briefly?
- N.B.** *While rubrics are generally not tied to a letter grade, the model does include this in case your institution requires a letter grade for all types of assessment.*
